TRANSLATOR'S NOTES

ONMYOJI ARE THOSE WHO PRACTISE THE MAGIC-RELIGIOUS ONMYOUDOKU, OR "THE WAY OF YIN AND YANG." A JAPANESE FOLK RELIGION CENTERING ON OCCULT DIVINATION, IT USES YIN AND YANG AND THE FIVE ELEMENTS BIRTHED BY THEIR SPIRITS TO FORESEE THE FORTUNES OF HUMANS. ONMYOJI SHAMANS ARE THOUGHT TO BE CAPABLE OF USING INCANTATIONS TO CONTROL AND VANQUISH DEMONS IF THIS SOUNDS INTERESTING, CHECK OUT THE MOVIE RECENTLY RELEASED IN NORTH AMERICA AS "ONMYOJI."

The Story Thus Far

Childhood Friends, Miono and Shouta, spent their days together, never being honest about how they felt towards each other. At this time, the chemistry professor, who is also a descendant of Onmyoji shamans, predicts that "Miono has already met her fated love, and he will awaken one more Miono." As if those words mark the beginning, a demon named Ginyasha then enters Shouta's body. Ginyasha is in control of the body because Shouta's spirit is weak, and he tries to attack Miono and the other girls at school. Meanwhile, Koorumaru explains that he has a self-concocted medicine by which the demon inside Shouta can be suppressed. Because he has always looked only upon Miono, and because he has always wanted to protect Miono, Shouta decides to accept the medicine from Koorumaru that can seal Ginyasha.

CHAPTER 3 OF THE WILDLY
POPULAR ZOMBIE IDEALIZATION!!

新條まゆ

TRANSLATOR'S NOTE:

The characters written across Shouto's chest are from the Indian Siddham script known in Japanese as "sonji." It's a form of ancient Sanskrit which was transferred to Japan in the 6th century along with the esoteric traditions of the "True" and "Secret" schools of Buddhism. One example which surfaced in the 14th century, was gradually absorbed into Buddhism and supported the use of sonji. Sonji are used in rituals of protection, as a means of prayer for good fortune and enlightenment, and as a means of sealing, or drawing away evil. This verse conveys the meaning of Ganga's Iron Shouto's robe.

Here you can find a collection of original artwork that was not previously published! Although it's just Shouts (Laugh)
There are others so they'll be published in the next volume! That said, please enjoy your stay in Shinjo's den of inquiry

◀ I tried drawing Shouts happy and full of life. It's very rare that I draw a male character with this kind of smile or in this kind of pose

This is a sleepy Shouts. Something about the blanket really made me want to top him off with bunny ears, but I restrained myself... (Rie)

◀ Here's cute Shouts. I love drawing cute little kids so I was giggling all through this one!

About "Kono Sae mo, Ai mo Kogami?"

Hi!! Hi!! I'm Mayu Shingo. To those who
 I'm greeting for the first time, and
 those who have kindly supported me all
 along, thank you so much for taking
 this volume into your hands. This is
 one of my rooms... actually, no, this is my
 first work where the main lead is "cute
 style." And it's so fun.

This work contains a lot of love for me,
 so I feel a little bit lost... is what I
 should be saying, but the truth is...

I LOVE CUTE LITTLE GUYS!

Before my debut, where I was still just
 submitting, I drew nothing but ador-
 able young men. And finally, finally,
 I've been allowed to draw one-on-one.
 Come up to my Shingo, who draws
 nothing but "cute style" guys now, draw
 nothing but "cute style" guys before her
 debut! Well, there's a long, long story
 behind that, so we'll just skip it.
 Anyway, being the person I just
 revealed myself to be, I just incorpo-
 rated a lot of thought into Shouta.
 It was a lot of fun to draw him. Doing
 two conversations simultaneously is an
 incredible amount of work, but I still
 put all my heart and soul into every
 single frame of Shouta... Now, whether
 you believe it or not, this work is

"BASED ON A TRUE STORY."

(Surprise!) Even Gengashiro's slightly
 scary silver hair is rooted in fact. I
 have a friend who is a strong person
 and has the most incredible spiritual
 charm, and one time he told me, "I'm
 possessed by a demon," and that
 became my inspiration. And I put sort
 of light on my female character's story as
 true for someone out there. (Heh.) If
 those things really could happen, I
 wouldn't mind being possessed by a
 demon like Gengashiro... I think. (Grrr)
 So what do you all think?

I wonder if demons really do exist. By
 the way, there's absolutely nothing
 charming about my spirit, so I don't
 have any personal experiences with
 demonic monsters. I could probably
 go my whole life without ever seeing
 one and be better off for it. (Laughs)

I ... I'm not sure why ... he is covered in fluid (Heh) Shouts ... kind of looks like he's bathing in an alien secretion. Don't you suppose a demon would secrete weird fluids? (Boggle) What? Then that would mean this is one of Ganyasha's bodily fluids?

Mona's kind of cute when she's angry. I don't have any sexy illustrations of her, but I swear you'll see more than enough in the next volume!! Let's just say ... I drew some picture of her while I was in the mood" so she's going to be exposing her underwear ... and things. (Sweet)

HARUKA, Haruo (Age 13)
(Softly HILL, Beauty from the Cherry Tree)

(heartful person, albeit pretty carefree)

Least Favorite Food: Green peppers

About the Cover Art

This time, I let my inner manna come out and do the drawing... Which is to say, nothing special or rare? (Laugh) That's why the illustration gallery feels a little different from usual, too. Lately, I've been asked by the people around me (such as new assistants coming on...), "Was this all drawn by the same person?" In previous volumes, I've written that I published comics that were not entirely by the same person, but now that I think about it, I've only done that once. (Kuku)

Before my debut, I was living in a hostel in Tokyo, and together with my friends we did a little garage publishing. As well as I do on my own (L), I have to say that I love, love, LOVE doing garage publishing, and I really want to round up another group (about 4 people or so) and write like that again... Anyway, we had 100 copies printed up, divided them amongst the 4 of us, and decided to try and sell them ourselves. So, with no knowledge of how to sell, we left our hostel, each with 25 books in tow... I ended up throwing my share away, and now I don't have a single copy left. Does that still count as a group author experience? (Laugh) I've helped out kids trying to sell things at Comic (Comic Market Conventions). That was after I debuted. (Laugh) It was a lot of fun. Since I'm pretty much a fanatic at heart, I always wanted to draw a robot manga, and I love historical and cosmic battle stories... So this work isn't to suggest that I've parged all my worries, but the fact that I'm able to draw this kind of a manga for Shouno Comic is significant to me.
